- All the equipment necessary (our tubs and bins are cardboard so they are easily recyclable)

- Detailed packaging manual

- Online training and support

- Hunger awareness manual which gives ideas and resources to create a greater impact for the event

- Hunger Dialogue in box to create a conversation with your city or county leaders

- PR and social media support

“Everyone involved was very helpful during the planning process as well as the execution of the event. As a first-time participant, I had a lot of questions and apprehension, but our event coordinator was so helpful and reassuring, and just as they promised everything went well.”

Stephanie Black
Executive Director;
United Way of Western Nebraska

Need a Bigger Kit?

You can combine these kits or call us for a customized kit to fit your needs.

We Provide Online Training and Support
